Note.

In para 2 of his office letter no 4444 dd 1-2-93 the Resident suggests that the requirements of the Bangalore Central Jail in respect of ammunition etc. may be included in the consolidated annual indent which we have agreed to send in our letter no 13317 dd 10-2-94 (Pl no 267).

The chief depts requiring annual supplies are the Military, Police, Palace, and Prisons. I understand that the requirements of all except the last are being dealt with in the office of the Military Assistant. It would be a convenience if he could be asked to include the requirements of the Jails also in his annual indent to the Resident.

In the event of this being done the I.G. of Prisons may be asked to furnish the Military Asst direct with the particulars required in para 1 of the Resident's letter.
